RE: Request for Partnership

I hope this letter finds you in good health.

Bitou Municipality humbly request a partnership with you for the Madiba 67minutes project, which has started from 18-28 July 2017. We had five different programmes in partnership with different stakeholders, these programs were

- House Ratification for an underprivileged elderly woman
- Madiba birthday lunch for senior citizens
- Clean-up campaign (removal of an illegal dumping site and beautification of the space)

We kindly ask you to assist us with paving bricks for the beautification of the cleaned dumping site in Ward 5. We are planning to have a braai area with plantation for the community to use for different occasions.P

Bitou Municipality and the Office of the Executive Mayor highly appreciate your assistance in advance.

Kind regards

Smuts Mana (Advisor of The Executive Mayor)

Hi Jeremy
Hoop dit gaan goed. Ek het met Mnr Black gesels oor die stene en hy wil net graag weer 'n aanduiding hê van hoe groot die oppervlak is waarvoor julle die stene nodig het. Ek het jou probeer skakel maar jou selfoon is af.

Kan jy my asseblief laat weet sodat ek vir hom kan sê?

Vriendelike groete
Urs

Subject: Donasie van stene

Hi Jeremy

Mnr Black versoek asseblief 'n foto, skets of diagram asook die omtrek van die area waarvoor die donasie van plaveisel stene aangevra word. Hy wil daarna kyk voor hy kan besluit hoe hy daarmee kan help. Ek het dit op vorige geleenthede aan Smuts persoonlik verduidelik en hy het genoem dat u die persoon is wat ons daarmee kan help. Ek sal dit waardeer indien jy u dit vir ons so spoedig moontlik kan stuur.

Vriendelike groete
Urs Jacobs

MEMBER OF THE CLAY BRICK ASSOCIATION
OF SOUTH AFRICA

Good Afternoon Mr Smuts Mahana,

Re: Donation of Paving bricks – Thomas Street, Kwanokuthula

Thank you for sending the info regarding the area you would like to pave in Kwanokuthula. Mr Black has indicated that he will not be able to donate the bricks as requested by yourself due to the quantity required. We have numerous clients who are currently in the process of paving and we need to ensure we have sufficient stock available to complete their projects. The quantity you would need to pave 800m2 would be 36000 paving bricks, which is quite large and it equates to just short of R134000. He was under the impression that you would need a few pallets to build a few braai facilities and perhaps a bit of paving for under the picnic tables, he never realised that you would be paving the entire park.

Thank you for your understanding and please be assured of our best intentions at all times.

Kind Regards,
Elizabeth Jacobs

To: 'mfourie@plett.gov.za'
Subject: 2017 Paving on Thomas street Kwano

Good day Mark.

We originally quoted on 964m². We received an order for 240m². The bricks are 220mX150mm faces, which should be approximately 31 bricks per m². The suppliers work on a 20% loss for damaged bricks and cuttings which would leave the amount of bricks needed per square at 36 bricks per m². In the perfect scenario, 7440 bricks would be used for 240m². With a 20 wastage, 8640 bricks would be needed. We did try our best to make use of all which we could so for a reasonable estimate, around 8040 bricks would have been used.

Please feel free to contact me if any other information is needed.

Kind regards
Marc de Gouveia
